THE GAMES

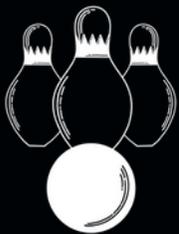

TENPIN

Nothing really needs to be said about this one. You know the deal. Ten pins. One ball. One hell of a good time.

ELECTRIC SHUFFLEBOARD

Choose from four different games and glide your pucks to victory on our world class maple wood shuffleboards. If you've never played it before, there's a good chance that shuffleboard's going to become your new favourite game. It's addictive as puck.

DUCKPIN

The best game you've never heard of. It's a variation of tenpin bowling: fatter pins, smaller balls and you get three chances to knock the pins down instead of two cause it's a little harder than tenpin. In the hundred plus years since the game was invented, no one's ever officially scored 300. Will you be the first? Probably not, but never stop dreaming.

DARTS

Infused with state-of-the-art tech, our darts boards do the scoring for you, so Steve from accounts won't be left to do the maths... Again. The scoring monitor will guide you, arrow by arrow, through a variety of unique games, leaving you more time to fulfil your lifelong dream of drinking as many beers as you can in 60 minutes. Britain's oldest surviving pub game meets Britain's oldest brewery. It was surely meant to be.
